

## **Prez Sez, January 2024**

Happy New Year everyone!

The beginning of this year opens with PVRA still looking for a caretaker. Right now, the Board is working on job descriptions and employment applications. Currently, we still need to pitch in.

What does this mean?

- Empty trash cans in the dumpster
- Clean up after your own horses
- Ask our current tractor operators to kindly drag for your events (and say Please and Thank You).
- Rake leaves and pine needles (bring your own rake)
- Weed whack where it is needed.

This next year brings some new show series, including Ranch Riding, Open Shows and Obstacle challenges. Please support these new show series and all of your your show managers to make 2024 a financial success.

I hope you all will attend the January held at the Mainstream Bar & Grill at 7 pm on Tuesday January 2<sup>nd</sup>.

Janice Kall, President
