Covid-19 Rules for Participation at the Sept. 13, 2020
PVRA Schooling Dressage Show

Modifications for safety, precautions and rules for physical distancing

1. Please consider this form as written instructions for Covid-19 safety precautions. All riders must read and sign below. The signed forms will be collected in advance via email or when you arrive for your entry packets.
2. Do not come if you are feeling sick or running a temperature. This applies to Riders, Coaches Rider assistants, volunteers and officials.
3. Maintain a minimum of 6 ft. from all others except if they already live in the same household.
4. A barrier will be erected between the riders and the scoring official in the entry booth.
5. Masks will be required when individuals are within 6 feet of each. Riders mounted on their horses will not be required to wear masks. People who live in the same household will be allowed to be within 6 feet of the rider at their trailer without masks.
6. Completed test forms will be placed in a cloth bag to be transferred to the scoring booth. After the information is collected and posted, the tests will remain there until the riders picks them up after their final class scores have been posted.
7. Scorers will use hand sanitizer frequently while scoring tests. Scored tests will be placed in 1-gallon plastic bags and placed with ribbons on the wall to the left of the entry booth door.
8. Since several riders may be warming up at the same time, one extra area will be set up for the warm-up rides if the designated warmup becomes crowded. This will allow for extra space for those riders with coaches. The Ring Steward will be present to monitor the number of horses in the warm-up and ask riders and coaches to move to a different warmup area if necessary.
9. Riders will be asked to leave the grounds as soon as possible after all their tests. In the case of multiple horses trailering together, riders will be asked to vacate the grounds as close as possible to the last scheduled ride time.
10. Hand washing or sanitation stations will be available at the Front Gate and in the Restrooms. Sanitizer will be available for the judge and scribe as well as at the entry /scoring booth so that handling of tests with unsanitized hands are minimized.
11. The Chuckwagon, which may sell only drinks and prepackaged snacks, will have a 6-foot barrier for patrons. Gloves, hand sanitizer and a sink with soap will be available to workers inside. The tables adjacent to the Chuckwagon will be taken out of service.
12. Participants who do not follow the guidelines will be asked to leave the grounds.
13. The restroom will have the middle stall marked "out of order" to allow only two people to use it at once. A sign on the door will indicate that only two people may be inside at one time.
